SUMMER OF PHOENIX FUN

30TH JUNE - 4TH JULY 2025

MUSIC · DRAMA · SCIENCE · ART · SPORT

SCHOOL'S OUT FOR SUMMER, SUMMER SCHOOL IN!

Join us at Phoenix House International School in Chiyoda-ku, as we welcome the summer and enjoy our Phoenix Fun!

The Summer School will be a varied range of activities focused on **music, drama, science, art and sport**. The programme will be run by the current creative and inspiring PH academic team.

The programme will be **engaging** and **creative**, stimulating children's **critical thinking skills**, developing their **resilience** and **curiosity**. Children will build **self-confidence** and **oracy skills**, whilst enjoying the opportunity to dive deep into a **subject of interest**. They will have the chance to present their new skills and learning in front of their peers.

All delivery and the language of instruction will be English, so children will be fully immersed in the English language and continue to build their academic, linguistic and creative skills.

NOTE: This programme is open to both current PH pupils and non-Phoenix House pupils.
