DEBENTURE PROGRAMME 2024/2025

Extending the range and reach of our outstanding educational programmes

WHAT IS A DEBENTURE?

A debenture is structurally and legally the same as an interest-free loan, which is redeemable, in full, upon your child's graduation or departure from Rugby School Japan.

PURPOSE

As part of RSJ's commitment to providing the most enriching educational experience possible, the Debenture Programme offers an opportunity to accelerate our school's growth during its formative years, enabling the school to make key strategic investments now rather than waiting for decades of gradual growth.

DIVERSITY & INCLUSION

The RSJ community believes that talent deserves to be nurtured regardless of an individual's background, country of birth, or financial means.

With your support, we can promote greater diversity and inclusion in our student body, while offering life-changing opportunities to a wider cohort of promising young people.

BURSARIES AND SCHOLARSHIPS

Through its scholarship and bursary programmes, the Rugby School Group has a proud history of educating the most capable boys and girls for whom a world-class education might ordinarily be out of reach.

Our goal is to continue this legacy, by increasing the availability of financial support to pupils who demonstrate particular talent in academics, sports, and performing arts.

SUPPORTING STRATEGIC PROJECTS

With your generous support, we can achieve our longterm strategic development goals in a way that benefits our pupils, our environment and local communities.

FUTURE-PROOFING OUR PUPILS' EDUCATION

The Rugby School Group is immensely proud of its history as an educational innovator. From shaping the modern idea of boarding school education, to inventing the game of rugby, to pioneering and sharing radical pedagogical breakthroughs with the wider educational community.

This pioneering spirit remains at the heart of everything we do at RSJ.

WHY YOUR CONTRIBUTION MATTERS

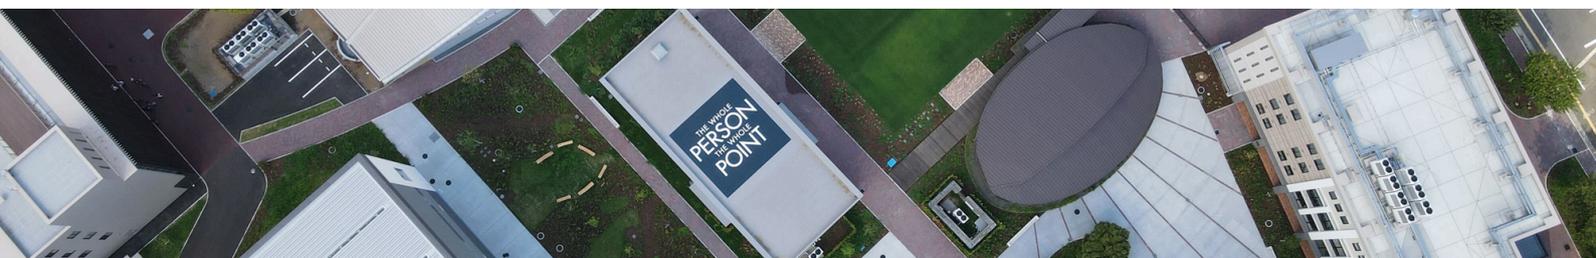

As a community member, your support through the Debenture Programme helps accelerate the growth of RSJ enabling us to fund scholarships and bursaries, while investing in key areas like educational facilities and enrichment programmes for both pupils and staff. Your contribution will make a tangible difference today, shaping the future of the school for years to come.

ENSURING LONG-TERM SUSTAINABILITY

In a world that is constantly changing, it is essential that we are not only reactive, but also proactive in ensuring our school remains a leader in education. The Debenture Programme provides us with the necessary flexibility to make timely decisions and invest in the areas that will have the greatest long-term impact on our pupils' development and RSJ's evolution.

DRIVING EDUCATIONAL EXCELLENCE

By contributing to the Debenture Programme, you help your school maintain commitment to innovation and excellence in education. Your support allows us to continue refining our curriculum, expanding our resources, and integrating new technologies and teaching methods, ensuring that RSJ remains a cutting-edge institution for generations to come.
